Here's the link that our Public Affairs office is likely to use for posting information about the settlement:

Hello, Bob. If I remember correctly, you said that EPA would be setting up a website to post your press release and the fact sheet. Could you send me a link to that website whenever you have it available? I think our guys may want to include a link to your website in our press release (or in subsequent announcements), if that's ok with you.

Thanks,
Wade
